Alien OG

Kush

Pine

Funky

STRAIN:
Hybrid

EFFECTS:
Euphoric, Blissful

SIMILAR STRAINS: SFV OG, Tahoe OG, Fire Og, ACDC, LA Cake

PRIMARY TERPENES:
Myrcene, Limonene, β -Caryophyllene

LINEAGE:
Tahoe OG x Alien Kush

TASTING NOTES: Alien OG leads with a classic sweet canna aroma, balanced by the citrus and pine typical of its lineage. A creamy lemon meringue note hovers over a herbaceous green base punctuated by bright pine needles, lemon and lime zest, and a sparkling minerality. Loud, pungent garlic comes through on the finish.

NEW

Durban Gelato

Sweet

Gas

Citrus

STRAIN:
Hybrid

EFFECTS:
Euphoric, Blissful

SIMILAR STRAINS: Cookies and Cream, Lime Skunk, Green Crack, Super Silver Haze

PRIMARY TERPENES:
Myrcene, Terpinolene, Limonene

LINEAGE:
Durban Poison x Gelato

TASTING NOTES: Durban Gelato rolls up in a cloud of sweet gasoline and lowers the window to a dewy mountain morning. Initially musky and sweet, the strain opens up to light citrus and lemon rind, cooling cedar, creamy sandalwood, and fresh and earthy forest floor. Sweet gas envelops the experience from beginning to end.

GG #4

Skunk

Dank

Earthy

STRAIN:
Hybrid

EFFECTS:
Relaxed, Euphoric

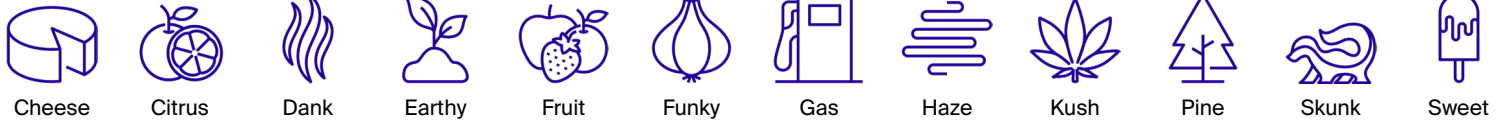

SIMILAR STRAINS: Jealousy, Animal Cookies, Horchata, King Kong, Black Triangle

PRIMARY TERPENES:
Myrcene, Ocimene, Limonene

LINEAGE:
(Chem's Sister x Sour Dubb) x Chocolate Diesel

TASTING NOTES: Subtle gas and the fresh earthiness of a fallen tree wind together to form a complex cannabis portal, coated with a dusting of delicate sweetness and lime zest.

LIVE RESIN®

Granddaddy Purple

STRAIN:

Indica

EFFECTS:

Relaxed, Calm

PRIMARY TERPENES:

Myrcene, Limonene, β -Caryophyllene

LINEAGE:

(Mendo Breath x Skunk) x Afghanistan

SIMILAR STRAINS: Grape Ape, Purple Urkle, Blueberry, Mazar, Querkle, Plush Berry

TASTING NOTES: Packed with notes of ripe purple berries, blueberry syrup, and smooth, rich sandalwood, GDP melds earthy and sweet aromas with pungent skunk and subtle floral undertones.

Jack

STRAIN:

Sativa

EFFECTS:

Creative, Focused

PRIMARY TERPENES:

Myrcene, Limonene, β -Caryophyllene

LINEAGE:

Northern Lights #5 x Shiva Skunk

SIMILAR STRAINS: Durban Poison, Ghost Train Haze, Moby Dick, Jack the Ripper

TASTING NOTES: A riot of bright citrus and pine gives way to deep fuel notes grounded by sweet spice. A cool woodiness brings a cleansing finish, adding to the complexity of this iconic and nuanced strain.

NEW

Jealousy OG

STRAIN:

Hybrid

EFFECTS:

Relaxed, Euphoric

PRIMARY TERPENES:

Myrcene, Ocimene, Limonene

LINEAGE:

Sherbert Bx1 x Gelato 41

SIMILAR STRAINS: Purple Starburst, Zkittlez Cake, Gelato, Gushers, Dosi Punch

TASTING NOTES: Jealousy OG is a complex blend of sweet fruit, spice, and earthy funk on a backbone of sweet diesel. A hint of dried mango and nutmeg give way to subtle dried thyme, fennel, and deep warm wood. As the flavor deepens, heavy notes of sweet diesel sweep across a pine-strewn forest floor.

Kush

Pine

STRAIN:

Hybrid

EFFECTS:

Relaxed, Euphoric

PRIMARY TERPENES:

Myrcene, Limonene, β -Caryophyllene

LINEAGE:

Animal Mints x Bubba Kush

SIMILAR STRAINS: Kush Cake, Scooby Snacks, Alien Mints, Gelato, Thin Mint

TASTING NOTES: Look for all the indicators of top shelf kush, elevated with an exhilarating twist. Herbaceous and earthy with a deep gas undercurrent at the outset, the experience shifts as an unmistakable cooling mint breeze rolls in, laid over a base of cinnamon bark to round out the rich and refreshing flavor.

OG Kush

Pine

Dank

Sweet

STRAIN:

Sativa-Dominant

EFFECTS:

Relaxed, Euphoric

PRIMARY TERPENES:

Myrcene, Terpinolene, Limonene

LINEAGE:

(Chemdawg x Lemon Thai) x Hindu Kush

SIMILAR STRAINS: SFV OG, Headband, Fire OG, Bubba Kush, Tahoe OG, GSC

TASTING NOTES: A bright citrus mist hovers over a complex base of dry pine, wood, and deep gas. Notes of cedar, fir, and resin add nuance to this pungent and dank Kush experience.

Paradise OG

Sweet

Fruit

Gas

STRAIN:

Hybrid

EFFECTS:

Blissful, Calm

PRIMARY TERPENES:

Myrcene, Limonene, Ocimene

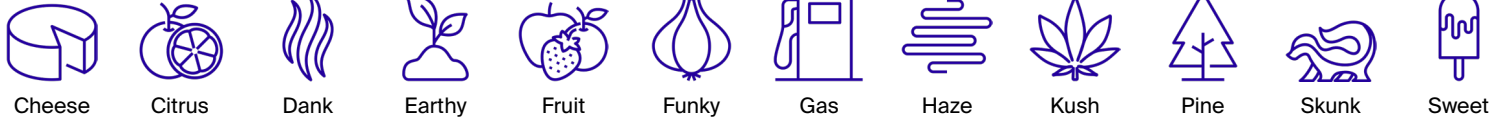

LINEAGE:

OG Love x Valhalla

SIMILAR STRAINS: Golden GOAT, Panama Red, Pineapple Thai MTF, Laughing Buddha

TASTING NOTES: Notes of fresh, crisp pear and apple balance on the delicate petals of gardenia and jasmine, a surreal balance of light fruit and white flowers over sweet diesel.

LIVE RESIN®

NEW

Rainbow Runtz

STRAIN:

Indica

EFFECTS:

Relaxed, Calm

PRIMARY TERPENES:

Myrcene, Limonene, β -Caryophyllene

LINEAGE:

Skittlez x DoSiDos

SIMILAR STRAINS: Ice Cream Cake, Raspberry Kush, Rainbow Belts, Candyland

TASTING NOTES: Sweet, overripe pineapple and brown sugar quickly blend into an earthy, woody background of cool cedar and rich pine. Bright lemonade and green herbaceous notes lift the experience up and into a dank and gassy cloud to take this strain through a heady spectrum of flavor.

NEW

Super Lemon Haze

STRAIN:

Sativa-Dominant

EFFECTS:

Energetic, Uplifted

PRIMARY TERPENES:

Myrcene, Limonene, β -Caryophyllene

LINEAGE:

Lemon Skunk x Super Silver Haze

SIMILAR STRAINS: Lemon Jack, Ghost Train Haze, Clementine, Lemon Meringue Pie

TASTING NOTES: A sweet and tangy lemon glaze curves around a deep pocket of pungent gas, hangs out a while, and then lazily drips into a hazy forest of old growth cedar. Notes of juicy tropical fruit and pineapple sprinkled with coconut sugar dance overtop this decadent and complex strain.

Wedding Cake

STRAIN:

Indica-Dominant

EFFECTS:

Relaxed, Euphoric

PRIMARY TERPENES:

Myrcene, Limonene, β -Caryophyllene

LINEAGE:

Triangle Kush x Animal Mints

SIMILAR STRAINS: Ice Cream Cake, Triangle Mints, Gelato, White Runtz, Rainbow Belts

TASTING NOTES: Warm teakwood perfectly intertwines with a heavy sweet gas note, rounded out by undertones of brown spice. A rich, tangy cheese funk comes through on the finish.
